## **Song 1 – Stereophonics, Thousand Trees**

Standing at the bus stop with my shopping  
In my hands when I'm overhearing elder  
Ladies as the rumors start to fly you can  
Hear them in the school yard, in the scrap yard  
In the chip shop, in the phone box, in the pool hall at  
The shoe stall every corner turned around

It started with a school girl who was  
Running running home to her mam and  
Dad told them she was playing in the  
Change room of her local football side they  
Said tell us again so she told them again  
They said tell us the truth they found it hard  
To believe 'cause he taught our Steve he  
Even trained me taught uncle john who's  
Father of three

But it only takes one tree to make  
A thousand matches  
Only takes one match to burn  
A thousand trees  
A thousand trees

You see it in the class room in the  
Swimming pool where the matchstick men  
Are made at the scouts hall at the football  
Where the wise we trust are paid they all  
Honor his name he did a lot for the game  
He got his name knocked up above the  
Sports ground gates but now they are  
Ripping them down stamping the ground  
Picture gathers dust behind the bar in the  
Lounge it takes one tree to make

A thousand matches ... Only takes one match to burn  
A thousand trees ... A thousand trees

Wake up and smell the rain shake up he's  
Back to stay he hasn't been on a holiday  
His growing seeds don't believe why he's  
Been away in the school yard change room  
Playing fields bathroom phone box office  
Blocks corner turned around they keep  
Doubting the flame tossing the blame got  
His name knocked up above the sports  
Ground gates but now they're  
Ripping them down stamping the ground  
Picture gathers dust in the bar in the  
Lounge it takes one tree to make

A thousand matches ... Only takes one match to burn  
A thousand trees ... A thousand trees ... A thousand trees

## **Song 2 – Miley Cyrus, Wrecking Ball**

We clawed, we chained, our hearts in vain  
We jumped, never asking why  
We kissed, I fell under your spell  
A love no one could deny

Don't you ever say I just walked away, I will always want you  
I can't live a lie, running for my life, I will always want you

I came in like a wrecking ball  
I never hit so hard in love  
All I wanted was to break your walls  
All you ever did was wreck me  
Yeah, you, you wreck me

I put you high up in the sky  
And now, you're not coming down  
It slowly turned, you let me burn  
And now, we're ashes on the ground

Don't you ever say I just walked away, I will always want you  
I can't live a lie, running for my life, I will always want you

I came in like a wrecking ball  
I never hit so hard in love  
All I wanted was to break your walls  
All you ever did was wreck me

I came in like a wrecking ball  
Yeah, I just closed my eyes and swung  
Left me crashing in a blazing fall  
All you ever did was wreck me  
Yeah, you, you wreck me

I never meant to start a war  
I just wanted you to let me in  
And instead of using force  
I guess I should've let you win  
I never meant to start a war  
I just wanted you to let me in  
I guess I should've let you win

Don't you ever say I just walked away  
I will always want you

I came in like a wrecking ball  
I never hit so hard in love  
All I wanted was to break your walls  
All you ever did was wreck me

I came in like a wrecking ball  
Yeah, I just closed my eyes and swung  
Left me crashing in a blazing fall  
All you ever did was wreck me  
Yeah, you, you wreck me

Yeah, you, you wreck me

### **Song 3 – From Frozen, Let it go**

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation  
And it looks like I'm the queen

The wind is howling like this swirling storm inside  
Couldn't keep it in, heaven knows I've tried  
Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know

Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway

It's funny how some distance makes everything seem small  
And the fears that once controlled me can't get to me at all  
It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me  
I'm free

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me cry  
Here I stand and here I stay  
Let the storm rage on

My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around  
And one thought crystallizes like an icy blast  
I'm never going back, the past is in the past

Let it go, let it go  
When I'll rise like the break of dawn  
Let it go, let it go  
That perfect girl is gone  
Here I stand in the light of day  
Let the storm rage on  
The cold never bothered me anyway

## **Song 4 – McFly, Star Girl**

Hey, I'm looking up for my star girl  
I guess I'm stuck in this mad world  
The things that I wanna say  
But you're a million miles away  
And I was afraid when you kissed me  
On your intergalactical Frisbee  
I wonder why, I wonder why  
You never asked me to stay

So wouldn't you like to come with me?  
(Ooh, ooh, ooh, ooh)  
Surfin' the sun as it starts to rise  
(Ooh, ooh, ooh, ooh)  
Whoa, your gravity's makin' me dizzy  
Girl, I gotta tell you, I'm feelin' much better  
Make a little love in the moonlight

Hey, there's nothing on earth that can save us  
When I fell in love with Uranus  
I don't want to give you away  
Because it makes no sense at all  
And Houston, we've got a problem  
The ground control couldn't stop them  
I wonder why, I wonder why  
You never asked me to stay (yeah!)

But wouldn't you like to come with me? (Ooh, ooh, ooh, ooh)  
Go surfin' the sun as it starts to rise (Ooh, ooh, ooh, ooh)  
Whoa, your gravity's makin' me dizzy  
Girl, I gotta tell you, I'm feelin' much better  
Make a little love in the moonlight

Fly away... Watch the night turn into day  
Dance on the Milky Way  
Melt me with your eyes  
My star girl, rules the skies  
One! two! one, two, three, four!

I'm looking up for my star girl  
I guess I'm stuck in this mad, mad world  
The things that I wanna say  
But you're a million miles away

So wouldn't you like to come with me? (Ooh, ooh, ooh, ooh)  
Go surfin' the sun as it starts to rise (Ooh, ooh, ooh, ooh) go surfin', surfin'  
Yeah, wouldn't you like to come with me?  
Yeah, girl, I gotta tell you, I'm feelin' much better  
I can't get enough of you  
Galaxy defenders, stay forever  
Never get enough of you

## **Song 5 – Celine Dion, Think Twice**

Don't think I can't feel that there's something wrong  
You've been the sweetest part of my life for so long  
I look in your eyes, there's a distant light  
And you and I know there'll be a storm tonight

This is getting serious ... Are you thinking 'bout you or us?

Don't say what you're about to say  
Look back before you leave my life  
Be sure before you close that door  
Before you roll those dice, Baby, think twice

Baby, think twice for the sake of our love, for the memory  
For the fire and the faith that was you and me  
Babe, I know it ain't easy when your soul cries out for a higher ground  
'Cause when you're half-way up, you're always half-way down

But, baby, this is serious (this is serious!)  
Are you thinking 'bout you or us?

Don't say what you're about to say  
Look back before you leave my life  
Be sure before you close that door  
Before you roll those dice  
Baby, think twice

Baby, this is serious (this is serious)  
Are you thinking 'bout you or us, baby?

Don't say what you're about to say (No, no, no, no)  
Look back before you leave my life (Don't leave my life)  
Be sure before you close that door  
Before you roll those dice  
Baby, think twice

Don't do what you're about to do  
My everything depends on you (I depend on you)  
Whatever it takes, I'll sacrifice  
Before you roll those dice  
(Don't you remember? Oh, don't you remember?)

Don't say what you're about to say  
Look back before you leave my life (Don't leave my life)  
Be sure before you close that door  
Before you roll those dice  
Baby, think twice

## **Song 6 – Lizzo, Good as hell**

I do my hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss, Check my nails  
Baby how you feelin'?  
Feeling good as hell

Woo child, tired of the bullshit  
Go on dust your shoulders off, keep it moving  
Yes Lord, tryna get some new shit  
In there, swimwear, going to the pool shit  
Come now, come dry your eyes  
You know you a star, you can touch the sky  
I know that it's hard but you have to try  
If you need advice, let me simplify

If he don't love you anymore  
Just walk your fine ass out the door

I do my hair toss, Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss, Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Feeling good as hell  
Baby how you feelin'?  
Feeling good as hell

Woo girl, need to kick off your shoes  
Got to take a deep breath, time to focus on you  
All the big fights, long nights that you been through  
I got a bottle of Tequila I been saving for you  
Boss up and change your life  
You can have it all, no sacrifice  
I know he did you wrong, we can make it right  
So go and let it all hang out tonight

'Cause he don't love you anymore  
So walk your fine ass out the door

And do your hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell

Hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell

Listen, if he don't love you anymore  
Then walk your fine butt out the door

And do your hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Hair toss  
Check my nails  
Baby how you feelin'?  
Feeling good as hell  
Feeling good as hell  
Baby how you feelin'?  
Feeling good as hell

## **Song 7 – Blondie – Maria**

She moves like she don't care  
Smooth as silk, cool as air  
Ooh it makes you wanna cry  
She doesn't know your name  
And your heart beats like a subway train  
Ooh it makes you wanna die

Ooh, don't you wanna take her?  
Ooh, wanna make her all your own?

Maria, you've gotta see her  
Go insane and out of your mind  
Latina, Ave Maria  
A million and one candle lights

I've seen this thing before  
In my best friend and the boy next door  
Fool for love and fool on fire  
Won't come in from the rain  
She's oceans running down the drain  
Blue as ice and desire

Don't you wanna make her? Ooh, don't you wanna take her home?

Maria, you've gotta see her  
Go insane and out of your mind, Latina, Ave Maria  
A million and one candle lights

Ooh, don't you wanna break her? Ooh, don't you wanna take her home?

She walks like she don't care  
You wanna take her everywhere  
Ooh, it makes you wanna cry

She's like a millionaire  
Walkin' on imported air  
Ooh, it makes you wanna die

Maria, you've gotta see her  
Go insane and out of your mind  
Latina, Ave Maria  
A million and one candle lights

Maria, you've gotta see her, Go insane and out of your mind  
Latina, Ave Maria  
A million and one candle lights

Maria, you've gotta see her, Go insane and out of your mind  
Latina, Ave Maria  
A million and one candle lights

Maria, you've gotta see her, Go insane and out of your mind  
Latina, Ave Maria

## **Song 8 - Ed Sheeran, Castle on the Hill**

When I was six years old, I broke my leg  
I was running from my brother and his friends  
And tasted the sweet perfume of the mountain grass I rolled down  
I was younger then, take me back to when I

Found my heart and broke it here  
Made friends and lost them through the years  
And I've not seen the roaring fields in so long  
I know I've grown, but I can't wait to go home

I'm on my way  
Driving at 90 down those country lanes  
Singing to Tiny Dancer  
And I miss the way you make me feel, and it's real  
When we watched the sunset over the castle on the hill

Fifteen years old and smoking hand-rolled cigarettes  
Running from the law through the backfields and  
Getting drunk with my friends  
Had my first kiss on a Friday night  
I don't reckon that I did it right, but

I was younger then, take me back to when  
We found weekend jobs, when we got paid  
We'd buy cheap spirits and drink them straight  
Me and my friends have not thrown up in so long  
Oh, how we've grown, but I can't wait to go home

I'm on my way  
Driving at 90 down those country lanes  
Singing to Tiny Dancer  
And I miss the way you make me feel, and it's real  
When we watched the sunset over the castle on the hill  
Over the castle on the hill  
Over the castle on the hill

One friend left to sell clothes  
One works down by the coast  
One had two kids, but lives alone  
One's brother overdosed  
One's already on his second wife  
One's just barely getting by, but  
These people raised me  
And I can't wait to go home

And I'm on my way  
I still remember these old country lanes  
When we did not know the answers  
And I miss the way you make me feel, and it's real  
When we watched the sunset over the castle on the hill  
Over the castle on the hill  
Over the castle on the hill

## **Song 9 – Ike and Tina Turner, Proud Mary**

You know, every now and then  
I think you might like to hear something from us  
Nice and easy  
But there's just one thing  
You see we never ever do nothing  
Nice, easy  
We always do it nice and rough  
So we're gonna take the beginning of this song  
And do it easy  
But then we're gonna do the finish rough  
This is the way we do "Proud Mary"

And we're rolling, rolling, rolling on the river  
Listen to the story

I left a good job in the city  
Working for the man every night and day  
And I never lost one minute of sleeping  
I was worrying 'bout the way the things might've been

You know that big wheel keep on turning  
Proud Mary keep on burning  
And we're rolling, rolling, rolling yeah  
Rolling on the river (the river)

Cleaned a lot of plates in Memphis  
Pumped a lot of tane down in New Orleans  
But I never saw the good side of the city  
Until I hitched a ride on a riverboat queen

You know that big wheel keep on turning  
Proud Mary keep on burning  
And we're rolling, rolling, rolling yeah (rolling)  
Rolling on the river

Say we're rolling (rolling) rolling yeah  
Rolling on the river

The river

Oh I left a good job in the city  
Working for the man every night and day  
And I never lost one minute of sleeping  
Worrying about the way the things might've been

Big wheel keep on turning  
Proud Mary keep on burning  
Rolling, rolling, rolling on the river

Say we're rolling, rolling, rolling on the river

Oh I cleaned a lot of plates in Memphis  
And I pumped a lot of tane down in New Orleans  
But I never saw the good side of the city  
Until I hitched a ride on a riverboat queen

Big wheel keep on turning  
Proud Mary keep on burning  
And we're rolling, tell you rolling, we're rolling on the river  
I tell you we're rolling, rolling, rolling on the river

If you come down to the river  
I bet you gonna find some people who live  
And you don't have to worry if you got no money  
People on the river are happy to give

Big wheel keep on turning  
Proud Mary keep on burning  
And we're rolling, tell you rolling, we're rolling on the river  
Tell you we have no time (rolling, rolling, rolling on the river)  
(Rolling, rolling, rolling on the river)  
Rolling, rolling, rolling on the river)  
Tell you we're rolling, rolling, rolling on the river  
I tell you we're rolling, rolling, rolling on the river)

## **Song 10 – Meatloaf, I'd do anything for love**

And I would do anything for love, I'd run right into hell and back  
I would do anything for love, I'll never lie to you and that's a fact

But I'll never forget the way you feel right now, oh no, no way  
And I would do anything for love, but I won't do that, I won't do that

Anything for love, oh I would do anything for love  
I would do anything for love, but I won't do that, oh I won't do that

Some days it don't come easy, and some days it don't come hard  
Some days it don't come at all, and these are the days that never end  
Some nights you're breathing fire, and some nights you're carved in ice  
Some nights you're like nothing I've ever seen before or will again

Maybe I'm crazy, but it's crazy and it's true  
I know you can save me, no one else can save me now but you

As long as the planets are turning, as long as the stars are burning  
As long as your dreams are coming true, you better believe it  
That I would do anything for love, and I'll be there 'til the final act  
I would do anything for love, and I'll take a vow and seal a pact  
But I'll never forgive myself if we don't go all the way tonight

And I would do anything for love, oh I would do anything for love  
Oh I would do anything for love, but I won't do that, no I won't do that  
I would do anything for love, anything you've been dreaming of  
But I just won't do that

I would do anything for love, anything you've been dreaming of  
But I just won't do that

I would do anything for love, anything you've been dreaming of  
But I just won't do that

Some days I pray for silence, and some days I pray for soul  
Some days I just pray to the God of sex and drums and rock 'n' roll  
Some nights I lose the feeling, and some nights I lose control  
Some nights I just lose it all when I watch you dance  
And the thunder rolls

Maybe I'm lonely and that's all I'm qualified to be  
There's just one and only, the one and only promise I can keep

As long as the wheels are turning, as long as the fires are burning  
As long as your prayers are coming true, you better believe it

That I would do anything for love, and you know it's true and that's a fact  
I would do anything for love, and there'll never be no turning back  
But I'll never do it better than I do it with you, so long, so long  
And I would do anything for love, oh I would do anything for love  
I would do anything for love, but I won't do that, no no no I won't do that  
I would do anything for love, anything you've been dreaming of

But I just won't do that ... I would do anything for love, anything you've been dreaming of  
But I just won't do that ... I would do anything for love, anything you've been dreaming of  
But I just won't do that ... I would do anything for love, anything you've been dreaming of  
But I just won't do that ... I would do anything for love, anything you've been dreaming of  
But I just won't do that ... I would do anything for love, anything you've been dreaming of  
But I just won't do that ....I would do anything for love, anything you've been dreaming of  
But I just won't do that  
But I'll never stop dreaming of you every night of my life, no way

And I would do anything for love, oh I would do anything for love  
I would do anything for love, but I won't do that, no I won't do that  
Will you raise me up, will you help me down?  
Will you get me right out of this Godforsaken town?  
Will you make it all a little less cold?  
I can do that, I can do that

Will you hold me sacred? Will you hold me tight?  
Can you colorize my life, I'm so sick of black and white?  
Can you make it all a little less old?  
I can do that, oh oh, now I can do that  
Will you make me some magic, with your own two hands?  
Can you build an emerald city with these grains of sand?  
Can you give me something I can take home?  
I can do that, oh oh now, I can do that

Will you cater to every fantasy I got?  
Will ya hose me down with holy water, if I get too hot?  
Will you take me places I've never known?  
I can do that, oh oh now, I can do that  
After a while you'll forget everything  
It was a brief interlude and a midsummer night's fling  
And you'll see that it's time to move on  
I won't do that, no I won't do that  
I know the territory, I've been around  
It'll all turn to dust and we'll all fall down  
And sooner or later, you'll be screwing around  
I won't do that, no I won't do that  
Anything for love, oh I would do anything for love  
I would do anything for love, but I won't do that, no I won't do that

## **Song 11 – Beatles, Penny Lane**

In Penny Lane, there is a barber showing photographs  
Of every head he's had the pleasure to know  
And all the people that come and go  
Stop and say hello

On the corner is a banker with a motorcar  
And little children laugh at him behind his back  
And the banker never wears a mac in the pouring rain  
Very strange

Penny Lane is in my ears and in my eyes  
Wet beneath the blue suburban skies  
I sit and meanwhile back in

Penny Lane, there is a fireman with an hourglass  
And in his pocket is a portrait of the Queen  
He likes to keep his fire engine clean  
It's a clean machine

Penny Lane, is in my ears and in my eyes  
A four of fish and finger pies  
In summer, meanwhile back

Behind the shelter in the middle of a roundabout  
A pretty nurse is selling poppies from a tray  
And though she feels as if she's in a play  
She is anyway

Penny Lane, the barber shaves another customer  
We see the banker sitting waiting for a trim  
And then, the fireman rushes in from the pouring rain  
Very strange

Penny Lane is in my ears and in my eyes  
There beneath the blue suburban skies  
I sit and meanwhile back  
Penny Lane is in my ears and in my eyes  
There beneath the blue suburban skies  
Penny Lane

## **Song 12 – Rihanna, Shut up and drive**

I've been looking for a driver who is qualified  
So if you think that you're the one step into my ride  
I'm a fine-tuned supersonic speed machine  
Got a sunroof top and a gangster lead

So if you feel it, let me know, know, know  
Come on now, what you waiting for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

Get you where you wanna go, if you know what I mean  
Got a ride that's smoother than a limousine  
Can you handle the curves, can you run all the lights  
If you can, baby boy, then we can go all night

'Cause it's 0 to 60 in 3.5 ... Baby, you got the keys  
Now shut up and drive, drive, drive ... Shut up and drive, drive, drive

I got class like a '57 Cadillac  
And overdrive with a whole lot of boom in the back  
You look like you can handle what's under my hood  
You keep saying that you will, boy, I wish you would

So if you feel it, let me know, know, know  
Come on now, what you waiting for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

Get you where you wanna go, if you know what I mean  
Got a ride that's smoother than a limousine  
Can you handle the curves, can you run all the lights  
If you can, baby boy, then we can go all night

'Cause it's 0 to 60 in 3.5 ... Baby, you got the keys  
Now shut up and drive, drive, drive ... Shut up and drive, drive, drive

'Cause your Maybach ain't got what I got  
Get it, get it, don't stop, it's a sure shot  
Ain't a Ferrari, huh, boy, I'm sorry  
I ain't even worried, so step inside  
And ride, ride, ride

So if you feel me, let me know, know, know  
Come on now, what you waiting for, for, for?  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

Get you where you wanna go, if you know what I mean  
Got a ride that's smoother than a limousine  
Can you handle the curves, can you run all the lights  
If you can, baby boy, then we can go all night

'Cause it's 0 to 60 in 3.5 ... Baby, you got the keys  
Now shut up and drive, drive, drive ... Shut up and drive, drive, drive

Shut up and drive, drive, drive, Shut up and drive, drive, drive

### **Song 13 – Phil Collins, Two Hearts**

Well, there was no reason to believe she'd always be there  
But if you don't put faith in what you believe in  
It's getting you nowhere  
'Cause it hurts, you never let go  
Don't look down, just look up  
'Cause she's always there to behind you, just to remind you

Two hearts, believing in just one mind  
You know we're two hearts believing in just one mind

'Cause there's no easy way to, to understand it  
There's so much of my life in her, and it's like I'm blinded  
And it teaches you to never let go  
There's so much love you'll never know  
She can reach you no matter how far  
Wherever you are

Two hearts, believing in just one mind  
Beating together till the end of time  
You know we're two hearts believing in just one mind  
Together forever till the end of time

She knows (she knows)  
There'll always be a special place in my heart for her  
She knows, she knows, she knows  
Yeah, she knows (she knows)  
No matter how far apart we are  
She knows, I'm always right there beside her

Two hearts, believing in just one mind  
Beating together till the end of time  
You know we're two hearts believing in just one mind  
Together forever till the end of time  
You know we're two hearts believing in just one mind  
You know we're two hearts believing in just one mind

## **Song 14 – Coldplay, A sky full of stars**

'Cause you're a sky, 'cause you're a sky full of stars  
I'm gonna give you my heart  
'Cause you're a sky, 'cause you're a sky full of stars  
'Cause you light up the path

I don't care, go on and tear me apart  
I don't care if you do, ooh  
'Cause in a sky, 'cause in a sky full of stars  
I think I saw you

'Cause you're a sky, 'cause you're a sky full of stars  
I want to die in your arms, oh  
'Cause you get lighter the more it gets dark  
I'm gonna give you my heart, oh

I don't care, go on and tear me apart  
I don't care if you do, oh  
'Cause in a sky, 'cause in sky full of stars  
I think I see you  
I think I see you

'Cause you're a sky, you're a sky full of stars  
Such a heavenly view  
You're such a heavenly view, yeah, yeah, yeah, yeah
