Song 1 – The Weeknd, Blinding Lights

Yeah

I've been tryin' to call
I've been on my own for long enough
Maybe you can show me how to love, maybe

I'm going through withdrawals
You don't even have to do too much
You can turn me on with just a touch, baby

I look around and
Sin City's cold and empty (oh)
No one's around to judge me (oh)
I can't see clearly when you're gone

I said, ooh, I'm blinded by the lights
No, I can't sleep until I feel your touch
I said, ooh, I'm drowning in the night
Oh, when I'm like this, you're the one I trust
Hey, hey, hey

I'm running out of time
'Cause I can see the sun light up the sky
So I hit the road in overdrive, baby, oh

The city's cold and empty (oh)
No one's around to judge me (oh)
I can't see clearly when you're gone

I said, ooh, I'm blinded by the lights
No, I can't sleep until I feel your touch
I said, ooh, I'm drowning in the night
Oh, when I'm like this, you're the one I trust

I'm just walking by to let you know (by to let you know)
I could never say it on the phone (say it on the phone)
Will never let you go this time (ooh)

I said, ooh, I'm blinded by the lights
No, I can't sleep until I feel your touch
Hey, hey, hey

Hey, hey, hey

I said, ooh, I'm blinded by the lights
No, I can't sleep until I feel your touch

Song 2 – Meghan Trainor, All about that bass

Because you know I'm all about that bass
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass (bass, bass, bass, bass)

Yeah it's pretty clear, I ain't no size two
But I can shake it, shake it like I'm supposed to do
'Cause I got that boom boom that all the boys chase
All the right junk in all the right places
I see them magazines workin' that photoshop
We know that shit ain't real
Come on now, make it stop
If you got beauty beauty just raise 'em up
'Cause every inch of you is perfect
From the bottom to the top
Yeah, my momma she told me don't worry about your size
She says, boys like a little more booty to hold at night
And no I won't be no stick-figure, silicone Barbie doll
So, if that's what's you're into
Then go ahead and move along

Because you know I'm all about that bass
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, hey

I'm bringing booty back
Go ahead and tell them skinny bitches that
No, I'm just playing I know y'all think you're fat
But I'm here to tell you
Every inch of you is perfect from the bottom to the top
Yeah, my momma she told me don't worry about your size
She says, boys like a little more booty to hold at night
You know I won't be no stick-figure, silicone Barbie doll

So, if that's what's you're into
Then go ahead and move along

Because you know I'm all about that bass
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass

Because you know I'm all about that bass
'Bout that bass, no treble
(Said) I'm all 'bout that bass, 'bout that bass, no treble
(Uh) I'm all 'bout that bass, 'bout that bass, no treble
(I said) I'm all 'bout that bass, 'bout that bass

Because you know I'm all about that bass
'Bout that bass, no treble

(Said) I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass, no treble
I'm all 'bout that bass, 'bout that bass
I'm all 'Bout that bass
'Bout that bass
Hey
Hey
Hey hey
Ooh
You know you love this bass
A ah ah ah yeah

Song 3 – Lighthouse Family, Ocean Drive

Say it's true, pink and blue
I can share your situation
Keeping hold on our, emotions they
Will only make us cry
And you go, I don't know, but you know
It ain't so serious anyway
When that clouds arrive we'll live on
Ocean Drive (baby)
Don't know why, you're so blue
The sun's gonna shine on everything you do (baby)
And the sky is so blue
The sun's gonna shine on everything you do

He left you, black and blue
Without a word of explanation
And he took your love for granted and
He left you high and dry
But you know, someday
Well you'll wonder what, you see in him anyway

When that day arrives we'll live on
Ocean Drive
Don't know why, you're so blue
The sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do

Don't know why you're so blue
Sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do
Don't know why you're so blue
The sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do

Song 4 – Alessia Cara, How far I'll go (From Moana)

I've been staring at the edge of the water
'Long as I can remember
Never really knowing why

I wish I could be the perfect daughter
But I come back to the water
No matter how hard I try

Every turn I take
Every trail I track
Every path I make
Every road leads back
To the place I know where I cannot go
Where I long to be

See the line where the sky meets the sea?
It calls me
And no one knows
How far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
If I go, there's just no telling how far I'll go

I know everybody on this island
Seems so happy on this island
Everything is by design
I know everybody on this island
Has a role on this island
So maybe I can roll with mine

I can lead with pride
I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?

See the light as it shines on the sea?
It's blinding
But no one knows
How deep it goes

And it seems like it's calling out to me
So come find me
And let me know
What's beyond that line?
Will I cross that line?

And the line where the sky meets the sea
It calls me
And no one knows
How far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
How far I'll go

Song 5 – Red Hot Chili Peppers, Californication

Psychic spies from China try to steal your mind's elation
And little girls from Sweden dream of silver screen quotation
And if you want these kind of dreams it's Californication

It's the edge of the world and all of Western civilization
The sun may rise in the East at least it's settled in a final location
It's understood that Hollywood sells Californication

Pay your surgeon very well to break the spell of aging
Celebrity skin, is this your chin, or is that war you're waging?

First born unicorn
Hardcore soft porn
Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication

Marry me, girl, be my fairy to the world, be my very own constellation
A teenage bride with a baby inside getting high on information
And buy me a star on the boulevard, it's Californication

Space may be the final frontier but it's made in a Hollywood basement
And Cobain can you hear the spheres singing songs off Station To Station?
And Alderaan's not far away, it's Californication

Born and raised by those who praise control of population
Well, everybody's been there and I don't mean on vacation

First born unicorn
Hardcore soft porn
Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication

Destruction leads to a very rough road but it also breeds creation
And earthquakes are to a girl's guitar, they're just another good vibration
And tidal waves couldn't save the world from Californication

Pay your surgeon very well to break the spell of aging
Sicker than the rest, there is no test, but this is what you're craving?

First born unicorn
Hardcore soft porn
Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication

Song 6 – Camilla Cabello, Havana

Hey

Havana, ooh na-na (ayy)
Half of my heart is in Havana, ooh na-na (ayy, ayy)
He took me back to East Atlanta, na-na-na, ah
Oh, but my heart is in Havana (ayy)
There's somethin' 'bout his manners (uh-huh)
Havana, ooh-na-na (uh)

He didn't walk up with that "how you doin'?" (uh)
When he came in the room
He said there's a lot of girls I can do with (uh)
But I can't without you
I knew him forever in a minute (hey)
That summer night in June
And papa says he got malo in him (uh)
He got me feelin' like...

Ooh, ooh-ooh-ooh-ooh-ooh-ooh (ayy)
I knew it when I met him (ayy), I loved him when I left him
Got me feelin' like, ooh, ooh-ooh-ooh-ooh-ooh-ooh
And then I had to tell him, I had to go
Oh-na-na-na-na-na (woo)

Havana, ooh na-na (ayy, ayy)
Half of my heart is in Havana, ooh na-na (ayy, ayy)
He took me back to East Atlanta, na-na-na (uh huh)
Oh, but my heart is in Havana (ayy)
My heart is in Havana (ayy)
Havana, ooh-na-na

Jeffery, just graduated, fresh on campus, mmm
Fresh out East Atlanta with no manners, damn (fresh out East Atlanta)
Bump on her bumper like a traffic jam
Hey, I was quick to pay that girl like Uncle Sam (here you go, ayy)
Back it on me (back it up)
Shawty cravin' on me, get to eatin' on me (on me)

She waited on me (then what?)
Shawty cakin' on me, got the bacon on me (wait up)
This is history in the makin', on me (on me)
Point blank, close range, that B
If it cost a million, that's me (that's me)
I was gettin' mula, baby

Havana, ooh na-na (ayy, ayy)
Half of my heart is in Havana, ooh na-na (oh, ayy, ayy)
He took me back (uh huh) to East Atlanta, na-na-na (oh, no)
Oh, but my heart is in Havana (ayy)
My heart is in Havana (ayy)
Havana, ooh-na-na

Ooh-na-na, oh-na-na-na (ooh, ooh-ooh-ooh-ooh-ooh)
Take me back, back, back like...
Ooh-na-na, oh-na-na-na (yeah, babe)

Hey, hey

Ooh, ooh-ooh-ooh-ooh-ooh-ooh (hey)

Take me back to my Havana

Havana, ooh na-na (hey)
Half of my heart is in Havana, ooh na-na (oh, yeah)
He took me back to East Atlanta, (ayy, ayy) na-na-na
Oh, but my heart is in Havana

Oh, na-na-na

Havana, ooh-na-na

Song 7 – Ed Sheeran, Perfect

I found a love ... for me
Oh darling, just dive right in and follow my lead
Well, I found a girl, beautiful and sweet
Oh, I never knew you were the someone waiting for me

'Cause we were just kids when we fell in love
Not knowing what it was
I will not give you up this time
But darling, just kiss me slow, your heart is all I own
And in your eyes, you're holding mine

Baby, I'm dancing in the dark with you between my arms

Barefoot on the grass, listening to our favourite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, darling, you look perfect tonight

Well I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a love, to carry more than just my secrets
To carry love, to carry children of our own

We are still kids, but we're so in love
Fighting against all odds
I know we'll be alright this time
Darling, just hold my hand
Be my girl, I'll be your man
I see my future in your eyes

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see
Now I know I have met an angel in person
And she looks perfect
I don't deserve this
You look perfect tonight

Song 8 – Coldplay, Fix You

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Lights will guide you home ... And ignite your bones
And I will try to fix you

And high up above, or down below
When you're too in love to let it go
But if you never try, you'll never know
Just what you're worth

Lights will guide you home ... And ignite your bones
And I will try to fix you

Tears stream down your face
When you lose something you cannot replace
Tears stream down your face, and I
Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face, and I

Lights will guide you home
And ignite your bones
And I will try to fix you

Song 9 – Sheena Easton, For your eyes only

For your eyes only, can see me through the night
For your eyes only, I never need to hide
You can see so much in me, so much in me that's new
I never felt until I looked at you

For your eyes only, only for you
You'll see what no one else can see, and now I'm breaking free
For your eyes only, only for you
The love I know you need in me, the fantasy you've freed in me
Only for you, only for you

For your eyes only, the nights are never cold
You really know me, that's all I need to know
Maybe I'm an open book because I know you're mine
But you won't need to read between the lines

For your eyes only, only for you
You see what no one else can see, and now I'm breaking free
For your eyes only, only for you
The passions that collide in me, the wild abandoned side of me
Only for you, for your eyes only

Song 10 – Maroon 5 & Christina Aguilera, Moves like jagger

Oh, na
Oh!

Just shoot for the stars
If it feels right and aim for my heart
If you feel like
And take me away and make it okay
I swear I'll behave

You wanted control, so we waited
I put on a show, now I make it
You say I'm a kid
My ego is big
I don't give a shit

And it goes like this
Take me by the tongue and I'll know you
Kiss me 'til you're drunk and I'll show you
You want the moves like Jagger
I've got the moves like Jagger
I've got the moves, like Jagger

I don't need to try to control you
Look into my eyes and I'll own you
With them moves like Jagger
I've got the moves like Jagger
I've got the moves, like Jagger

Baby, it's hard, and it feels like
You're broken and scarred, nothing feels right
But when you're with me
I'll make you believe
That I've got the key

Oh, so get in the car, we can ride it
Wherever you want, get inside it
And you want to steer
But I'm shifting gears
I'll take it from here (Oh, yeah, yeah)

And it goes like this (Uh)
Take me by the tongue and I'll know you (Uh)
Kiss me 'til you're drunk and I'll show you
Want the moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger

I don't need to try to control you (Oh, yeah)
Look into my eyes and I'll own you
With them moves like Jagger
I've got the moves like Jagger (Yeah yeah)
I've got the moves like Jagger

You wanna know, how to make me smile?
Take control, own me just for the night
And if I share my secret
You're gonna have to keep it
Nobody else can see this

So watch and learn, I won't show you twice
Head to toe, ooh baby, rub me right
And if I share my secret
You're gonna have to keep it
Nobody else can see this (Ay, ay, ay, ay!)

And it goes like this
Take me by the tongue and I'll know you (Take me by the tongue)
Kiss me 'til you're drunk and I'll show you (Yeah yeah yeah!)
You want the moves like Jagger
I've got the moves like Jagger
I've got the moves, like Jagger (Oh, yeah)

I don't need to try to control you (Oh)
Look into my eyes and I'll own you
With them moves like Jagger
I've got the moves like Jagger
I've got the moves, like Jagger

Song 11 – Phil Collins, Both Sides of the Story

Find yourself in the gutter in a lonely part of town
Where death waits in the darkness
With a weapon to cut some stranger down
Sleeping with an empty bottle, he's a sad and an empty hearted man
All he needs is a job
And a little respect, so he can get out while he can

We always need to hear both sides of the story ... Both sides of the story

A neighbourhood peace is shattered it's the middle of the night
Young faces hide in the shadows
While they watch their mother and father fight
He says she's been unfaithful, she says her love for him has gone
And the brother shrugs to his sister and
Says "looks like it's just us from now on"

We always need to hear both sides of the story
We need to hear both sides of the story

And the lights are all on, the world is watching now
People looking for truth, we must not fail them now
Be sure, before we close our eyes ... Don't walk away from here
'Til you hear both sides, no no no no

Here we are all gathered in what seems to be the centre of the storm
Neighbours once friendly now stand
Each side of the line that has been drawn
They've been fighting here for years
But now there's killing on the streets
While small coffins are lined up sadly, now united in defeat

We always need to hear both sides of the story

And the lights are all on, the world is watching now
People looking for truth, we must not fail them now
Be sure, before we close our eyes
Don't walk away from here
'Til you see both sides, no no no no no

White man turns the corner, finds himself within a different world
Ghetto kid grabs his shoulder, throws him up against the wall
He says, "Would you respect me if I didn't have this gun
'Cause without it, I don't get it, and that's why I carry one"
We always need to hear both sides of the story

Both sides of the story ... Oh both sides of the story
Yes both sides of the story ... Oh both sides of the story
Both sides of the story ... Both sides of the story
Both sides, both sides of the story ... Both sides of the story
Both sides of the story ... Both sides of the story
Both sides, both sides of the story
Both sides of the story
Both sides of the story
Both sides of the story
Must hear both sides of the story

Song 12 – Snow Patrol, Chasing Cars

We'll do it all
Everything
On our own

We don't need
Anything
Or anyone

If I lay here
If I just lay here
Would you lie with me and just forget the world?

I don't quite know
How to say
How I feel

Those three words
Are said too much
They're not enough

If I lay here
If I just lay here
Would you lie with me and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

Let's waste time
Chasing cars
Around our heads

I need your grace
To remind me
To find my own

If I lay here
If I just lay here
Would you lie with me and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes, they're all I can see

I don't know where
Confused about how as well
Just know that these things will never change for us at all

If I lay here
If I just lay here
Would you lie with me and just forget the world?

Song 13 – Greatest Showman, A million dreams

I close my eyes and I can see, The world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

There's a house we can build, Every room inside is filled
With things from far away, The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design

Every night I lie in bed, The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take, A million dreams for the world we're gonna make
For the world we're gonna make

Song 14 – Jason Mraz – I'm yours

Well, you done done me in, you bet I felt it
I tried to be chill, but you're so hot that I melted
I fell right through the cracks
Now I'm trying to get back
Before the cool done run out, I'll be giving it my bestest
And nothing's gonna stop me but divine intervention
I reckon it's again my turn
To win some or learn some

But I won't hesitate no more, no more, It cannot wait, I'm yours
Hmm (hey, hey)

Well, open up your mind and see like me
Open up your plans and, damn, you're free
And look into your heart and you'll find love, love, love, love
Listen to the music of the moment, people dance and sing
We're just one big family
And it's our God-forsaken right to be loved, loved, loved, loved, loved

So I won't hesitate no more, no more
It cannot wait, I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

Do, do, do, do you, but do you, do you, do, do, but do you want to come on?
Scooch on over closer, dear
And I will nibble your ear
A-soo-da-ba-ba-ba-ba-bum
Whoa-oh-oh
Whoa-oh-oh-oh-oh-whoa-whoa-whoa
Uh-huh, mmm-hmm

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
And so I drew a new face and I laughed
I guess what I've been saying is there ain't no better reason
To rid yourself of vanities and just go with the seasons
It's what we aim to do
Our name is our virtue

But I won't hesitate no more, no more, It cannot wait, I'm yours

Well, open up your mind and see like me
Open up your plans and, damn, you're free
And look into your heart, and you'll find that the sky is yours
So please don't, please don't, please don't
There's no need to complicate
'Cause our time is short
This, oh this, this is our fate, I'm yours

Oh, I'm yours, Oh, I'm yours
Oh, whoa, baby, do you believe I'm yours?
You best believe, you best believe I'm yours, mmm-hmm
